

REMARKS

Claims 15-38 are now present in this application, with new claims 26-38 being added by the present Preliminary Amendment. Claims 1-14 have been canceled without prejudice or disclaimer of the subject matter contained therein. It should be noted that the amendments to claims 24 and 25 of the present application are non-narrowing amendments, made solely to place the claims in proper form for U.S. practice and not to overcome any prior art or for any other statutory considerations. For example, amendments have been made to remove multiple dependencies in the claims. Again, all amendments are non-narrowing and have been made solely to place the claims in proper form for U.S. practice and not to overcome any prior art or for any other statutory considerations.

CONCLUSION

Accordingly, in view of the above amendments and remarks, an early indication of the allowability of each of claims 15-38 in connection with the present application is earnestly solicited.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Donald J. Daley at the telephone number of the undersigned below.
